The TEA Party of Lafayette endorses Mr. Stuart Bishop for State Representative District 43.

On August 23, 2011, The Tea Party of Lafayette Core Committee met with Mr. Stuart Bishop for a second interview regarding his candidacy in the October 2011 election as State Representative District 43. The Core Committee voted to endorse Mr. Bishop based on his belief in smaller government, his pro-small business stance in which he pledges to reduce and eliminate regulations that hamper the growth of small businesses and his statement that, "he will not vote for any new taxes."

Mr. Stuart is 35 years old and an officer in his family-run concrete business, Baldwin Redi-Mix. He is a Republican and LSU Alumnus. Mr. Stuart has always been interested in politics and running in District 43 for some time.

The TEA Party Core Committee feels strongly that Mr. Stuart's personal experience in dealing with the increased expense and frustration of government's rules and regulations makes him an excellent candidate. He believes that small businesses are the backbone of our economy, and is a strong pro-business advocate for Louisiana.

Mr. Bishop is actively involved in the community and serves on the boards of the Lafayette Education Foundation, the Concrete and Aggregate Association of Louisiana, the National Redi-Mix Concrete Association and Downtown Lafayette Unlimited. He is also a graduate of Leadership Lafayette. Married with two children, Bishop says he wants to help forward Louisiana's increasingly business-friendly policies in Baton Rouge and create a better educational environment for not only his children but for all the citizens of Louisiana.

The TEA Party of Lafayette has every reason to believe that Mr. Stuart Bishop will serve District 43 in a conservative way and that he will work to effect the reduction of government, the out of control spending, and to eliminate unnecessary rules and regulations that strangle small business owners.
